

# THE FOUR BEST **WORKERS** IN THE BUSINESS

## VELKE™

### Why Walk When You Can Ride?

- Instantly turns a walk-behind into a ride-behind
- Significantly increases profit and productivity
- Heavy duty construction of strong welded steel
- Operator capacity of 200 lbs.

## VELKE X2™

### The Velke, Plus:

- Heavier capacity of 280 lbs.
- The only two-wheel sulky that folds compactly
- Wide, open platform for operator comfort

## GRASS GOBBLER™

### The Catcher Engineered For The Pros

- Highly durable all-steel construction
- Fits most professional mowers
- Comes in two sizes:  
Regular (3.3 cubic ft.) and Jumbo (4.3 cubic ft.)
- Aerodynamic design drastically reduces downtime due to clogging

## LEAF GOBBLER™

### The Leaf Catcher Extension For Jumbo Grass Gobblers.

- More than doubles the holding capacity to 8.9 cubic ft.
